

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates.

The american people must be better informed about the legislations and laws that are currently being passed and/or analyzed. Everybody should have the opportunity to become involved and for their voices to be heard. This is the best way for a democratic and open process to take place. Thank you very much as I look forward to a positive outcome from everything that is taking place right now.
